

# Day of Prayer for Dementia

## March 19th

part of the Pastoral Care Project

Minister

**Brothers and Sisters, gathered together in the name of Christ, let us call to mind God's many blessings and bring to Him our needs.**

Let us pray for all who profess the faith of Christ: may these days of Lent bring us closer to the Lord in prayer, make us firmer in our discipleship, and become more generous with the gifts we have received.

We pray for those in our community, among our family and friends, who suffer from dementia. May they have a sense of awareness of the Lord and feel safe in his hands.

Let us pray for those who care for the frail elderly. We pray especially for those who feel isolated and lonely. May they receive strength and consolation from family, friends and neighbours.

We pray for those who work in care settings. May they always be conscious that those within their care have infinite dignity in the sight of God, and treat them with gentleness and compassion.

Let us take a few moments for our own private prayers.

Minister

**Almighty Father, hear the prayers we offer, those spoken and felt in the depth of our hearts, and give us your peace, in Jesus name. Amen**
