

Day of Prayer for Dementia

March 19th

part of the Pastoral Care Project

We have listened to the Word of the Lord.

Let us offer a time of holding before the Lord the people in our land who live with dementia.

Let us wait on the Lord and allow his Holy Spirit to lead us in prayer.

Include prayer for the individual who has received a diagnosis and is aware of the illness and has to make adjustments about their living.

Include prayer for carers who have little time for themselves and for the prayer and how their prayer has changed.

Include families, who live long distance from their loved ones, and have to juggle work and care.

Any insights from prayer would be greatly received at the Pastoral Care Project
